Is your little one an emerging artistic genius? If so, come paint, sculpt, build and get messy with Gretchen at the TLC. Each week we'll choose a famous artist and explore their world by creating works of art centered around their unique and individual style. We'll learn about Van Gogh, Monet, Picasso, Pollock, Calder and Warhol just to name a few. Get those aprons on and join us in our exploration of the World of Art! 8 weeks/\$80.00
